

## **Symposium Set B3 Reflective Questions (Bilingual)**

1. What professional learning opportunities are needed to support ITE lecturers and school-based teacher educators to confidently model and support participatory pedagogies aligned with the Curriculum for Wales?

Pa gyfleoedd dysgu proffesiynol sydd eu hangen i gefnogi darlithwyr AGA ac addysgwyr athrawon mewn ysgolion i fodelu a chefnogi addysgeg gyfranogol sy'n alinio â'r Cwricwlwm i Gymru yn hyderus?

2. Drawing together the evidence presented, what would a more consistently rights-based approach to ITE look like in practice, and what incremental steps could move the system closer to that vision?

Gan dynnu'r dystiolaeth a gyflwynwyd ynghyd, sut olwg fyddai ar ddull mwy cyson o AGA sy'n seiliedig ar hawliau yn ymarferol, a pha gamau cynyddrannol a allai symud y system yn agosach at y weledigaeth honno?
